MARPLOT: Using GIS for Emergency Operations in an Offline Environment

Matt Wormus

Chemical Reporting & Preparedness Section

Oklahoma DEQ

MARPLOT: What I Really Use for GIS, like 75% of the Time

MARPLOT? What is that?

- Coded and Developed by NOAA & EPA

- Part of the CAMEO Software Suite
 - Data Manager
  - ALOHA
  - CAMEO Chemicals

- free

Why?

- Easy to use

- Enough Bells and Whistles, but not

- Interconnectivity with Tier II Datab

- Different Types of GIS necessities

Salt Lake City Experience

Demo
