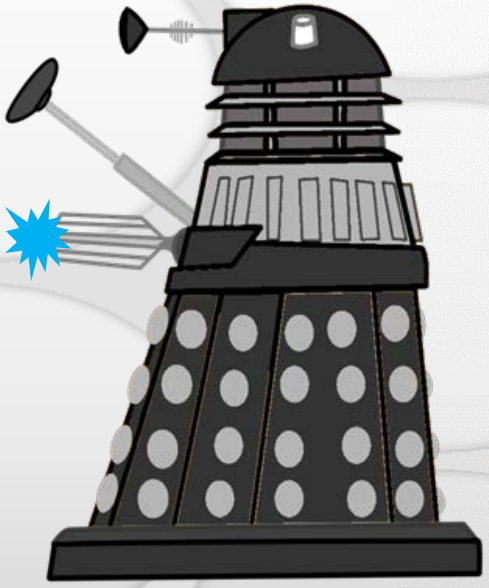
Telling the Story of Lost Doctor Who Episodes

Using Story Maps to Tell the Story

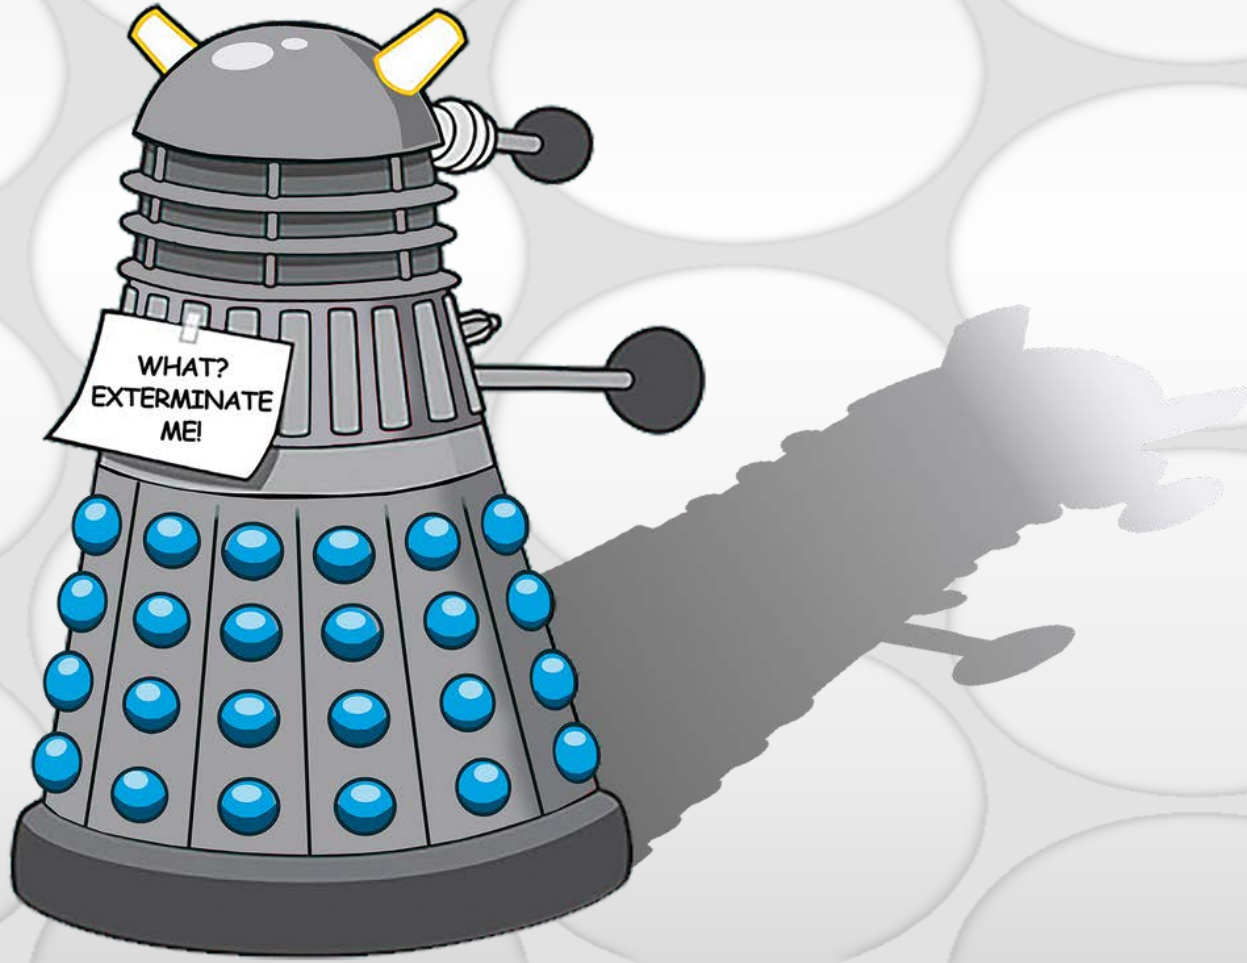
Presented by Lance Yarema



The Scope of the Presentation

1) The history of why some Doctor Who episodes are missing

2) Creating the story map



The History of why some Doctor Who episodes are missing

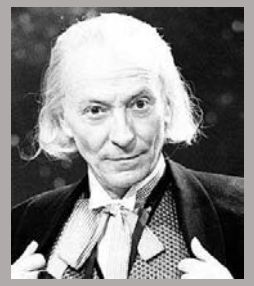
Doctor Who

- **The world's longest sci-fi television series**
  - **Original Series 1963 – 1989 (November 23rd, 1963)**
  - **TV Movie 1996**
  - **New Series 2005 – present**

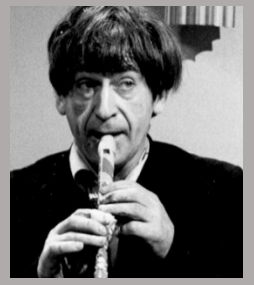
Doctor Who

- A story consisted of multiple 25-minute episodes *(varied)*

- Seven actors to play the Doctor *(original series)*



1963-66



1966-69

1970-74

1974-81

1982-84

1984-86

1987-89

Many British TV Series are Missing

Doctor Who

Steptoe and Son

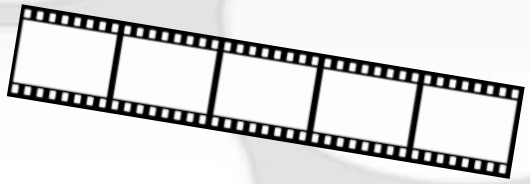
The Avengers

Dad's Army

Z Cars

Doctor Who

- **Most Doctor Who episodes were recorded on video tape, but film copies were made for over seas distribution *(all but one)***



The Dalek's Masterplan pt. 7 (The Feast of Steven)

- **The video tapes were wiped for other British programming to be recorded**

The Archive Purge

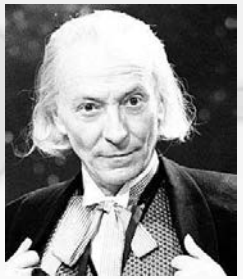
- **Purge lasted from 1967 – 1978**
  - **Little storage**
  - **Costly**
  - **Poor documentation**
  - **Actor's union royalties**
  - **Black and white**
  - **No home media**

Stopping the Purge

- 1978 the BBC stopped the purge and then conducted an inventory of the archive
- After the inventory, it was revealed that 139 episodes of Doctor Who were missing
- Many stories were incomplete or completely gone

Missing Doctor Who

- 1st Doctor – William Hartnell (1963 – 1966)
  - 61 episodes missing *(out of 134 episodes)*



- 2nd Doctor – Patrick Troughton (1966 – 1969)
  - 76 episodes missing *(out of 119 episodes)*

- 3rd Doctor – Jon Pertwee (1970 – 1974)
  - 2 episodes missing *(out of 128 episodes)*
  - All originally recorded in color but only half exist in black and white film copies

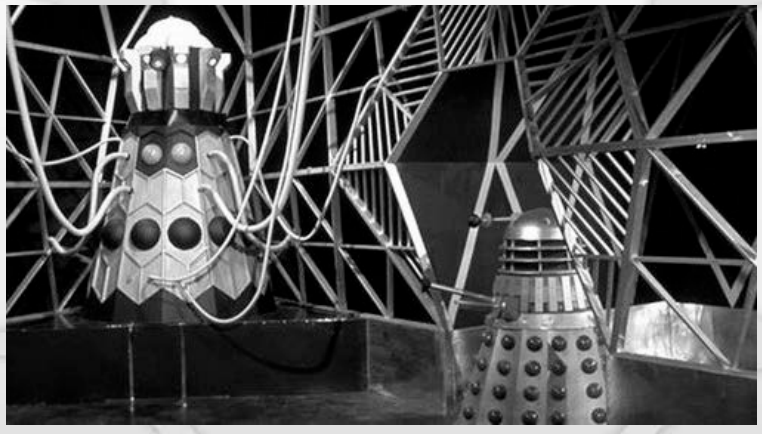
The Pain

Marco Polo

The Tenth Planet pt. 4

The Power of the Daleks

The Daleks' Masterplan



The Evil of the Daleks

Not a Total Loss

- Fans audio recorded all episodes

- Telesnaps were commission on some stories

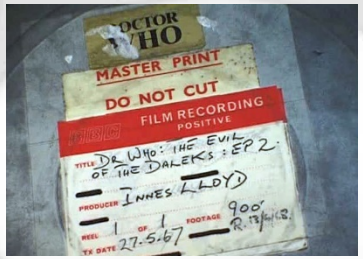
Doctor Who Magazine #58 Nov. 1981

Episodes Returning

- **Private Film Collectors**
  - **BBC employees had access and salvaged episodes before films were destroyed**
  - **Orphan episodes**

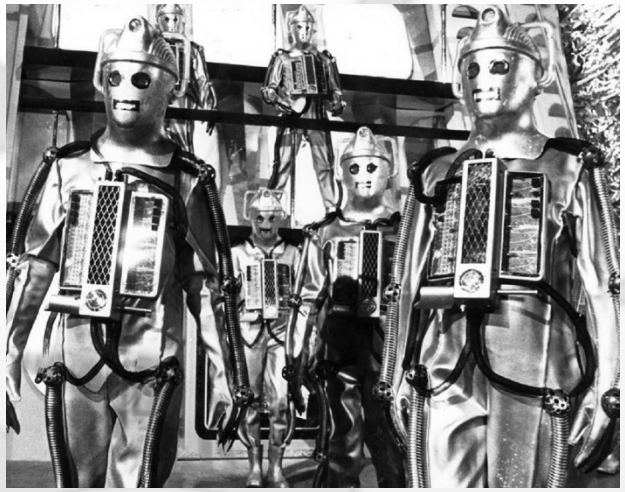


- **Oversea Broadcasters**
  - **Film copies of completed stories were found in different locations around the world**
    - Canada
    - Nigeria
    - Cyprus
    - Hong Kong

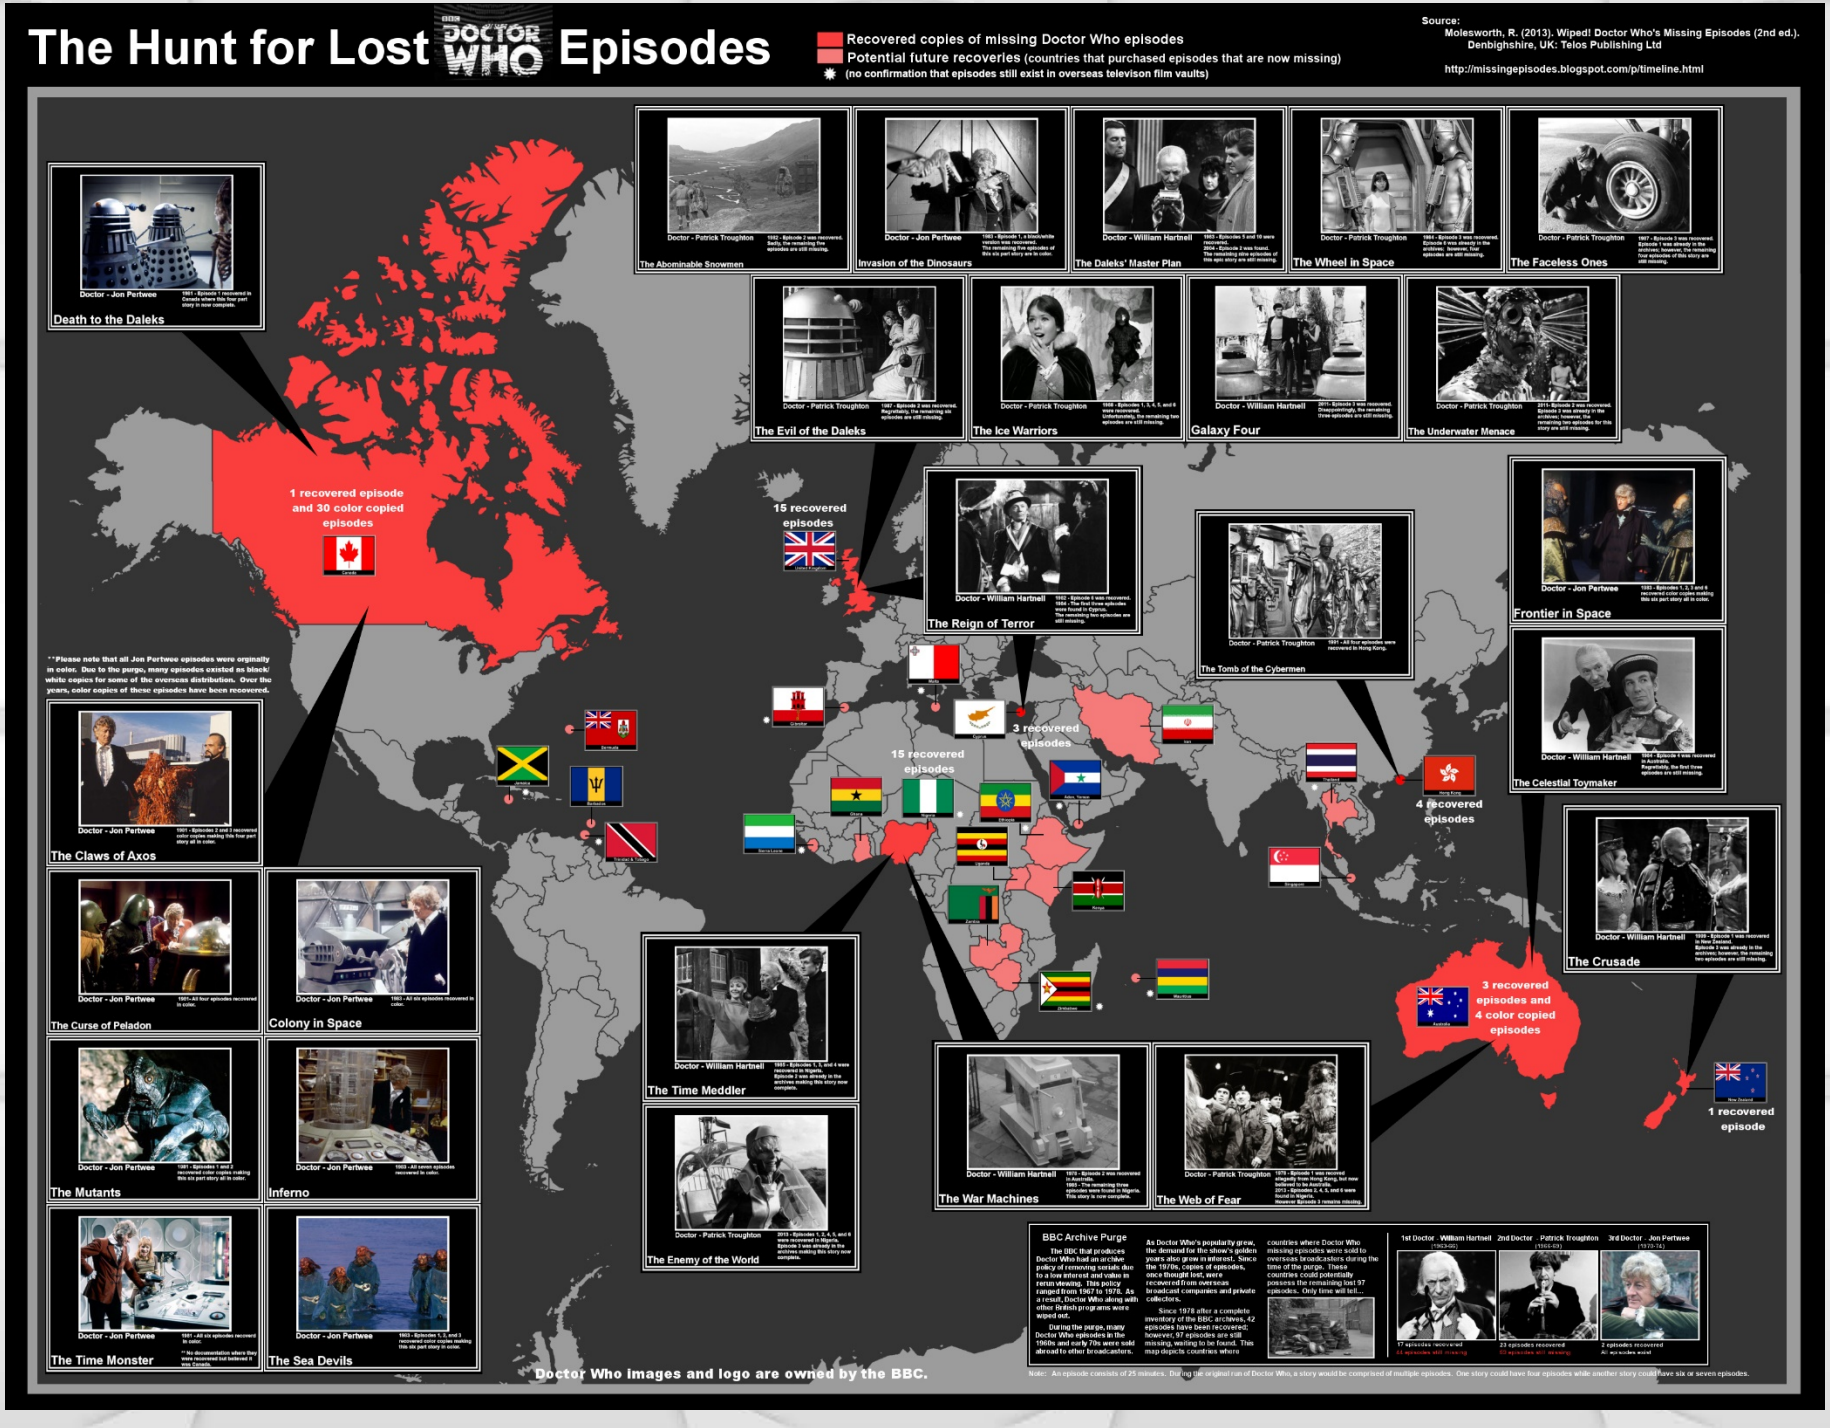
Episodes Returning

- 1st Doctor – William Hartnell
  - 17 episodes recovered *(44 still missing)*
- 2nd Doctor – Patrick Troughton
  - 23 episodes recovered *(53 still missing)*
- 3rd Doctor – Jon Pertwee
  - 2 episodes recovered *(now completed)*
  - 34 color episodes recovered
  - New video technology restoring color to remaining episodes

Galaxy Four pt. 3 ***(recovered)***



The Tomb of the Cybermen ***(recovered)***



Map looks great but limited in giving the narrative of each recovery.

Creating the Story Map

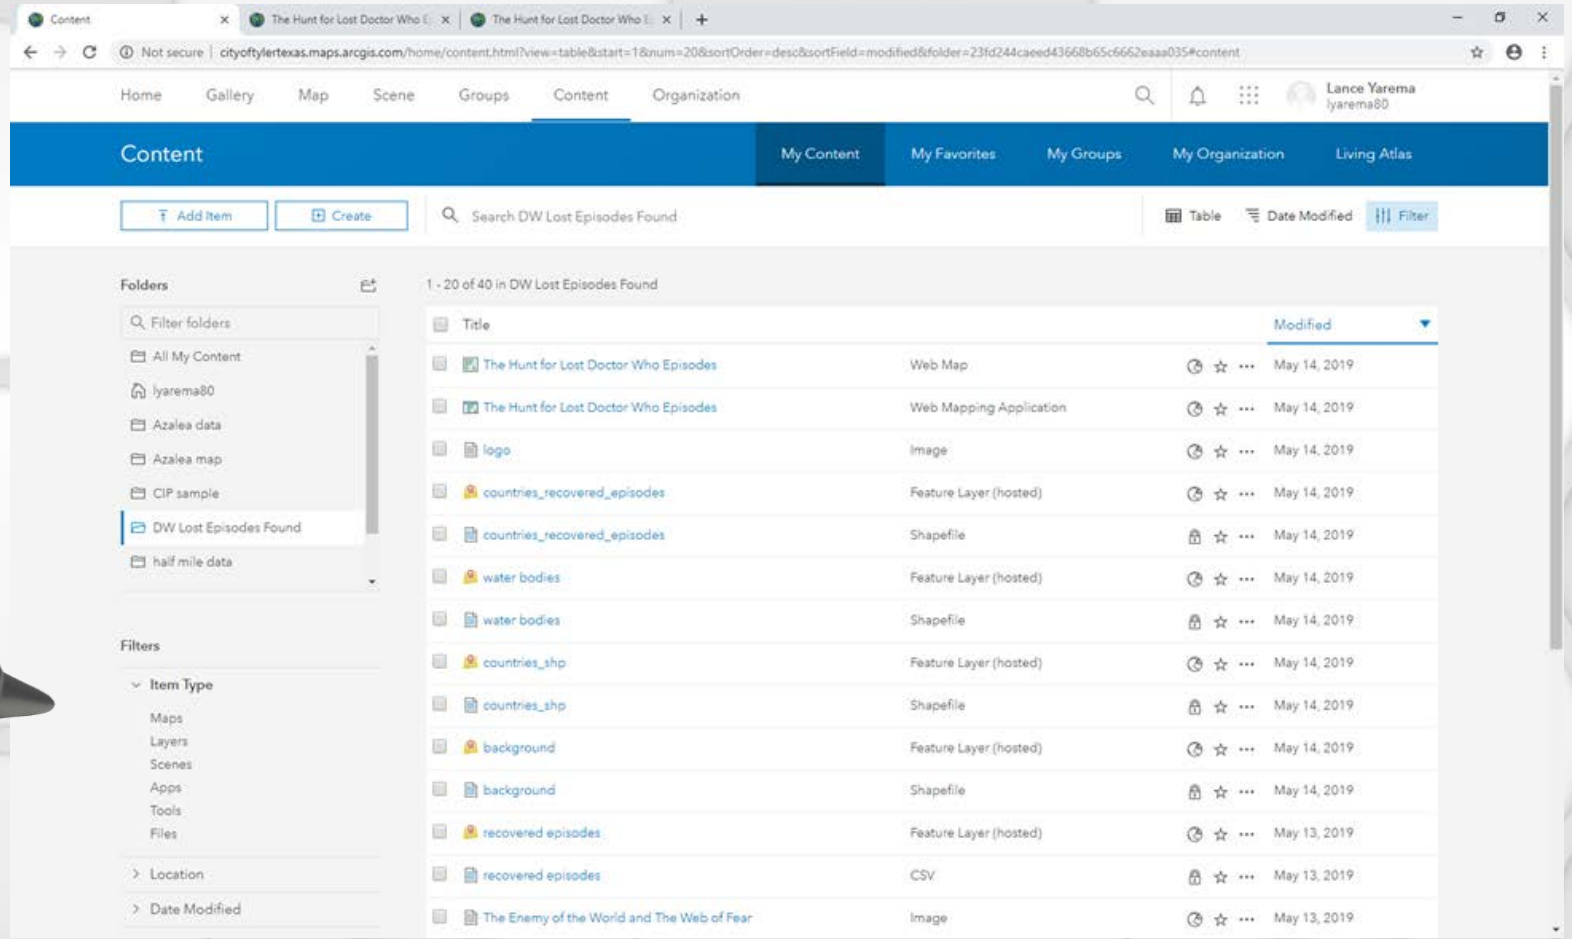
If I can do this, then an Ogron can do this!

Creating a story map

- Upload images and data on ArcGIS Online
- CSV Template
- Story map set up

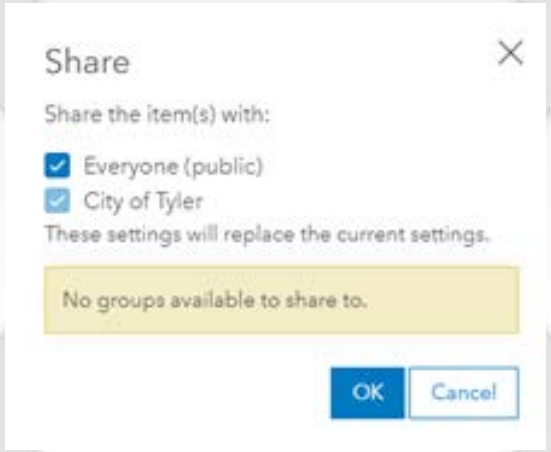
Upload images and data on ArcGIS Online

- Log into ArcGIS Online
- Navigate to My Content
- Create a folder
- Import images

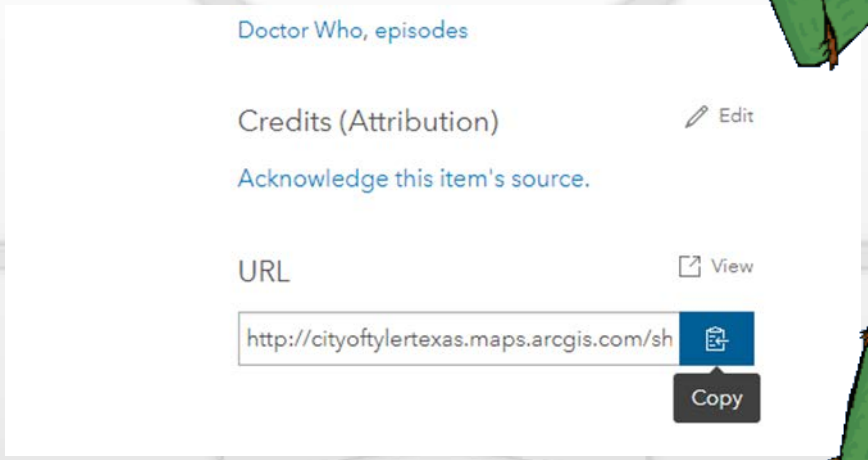


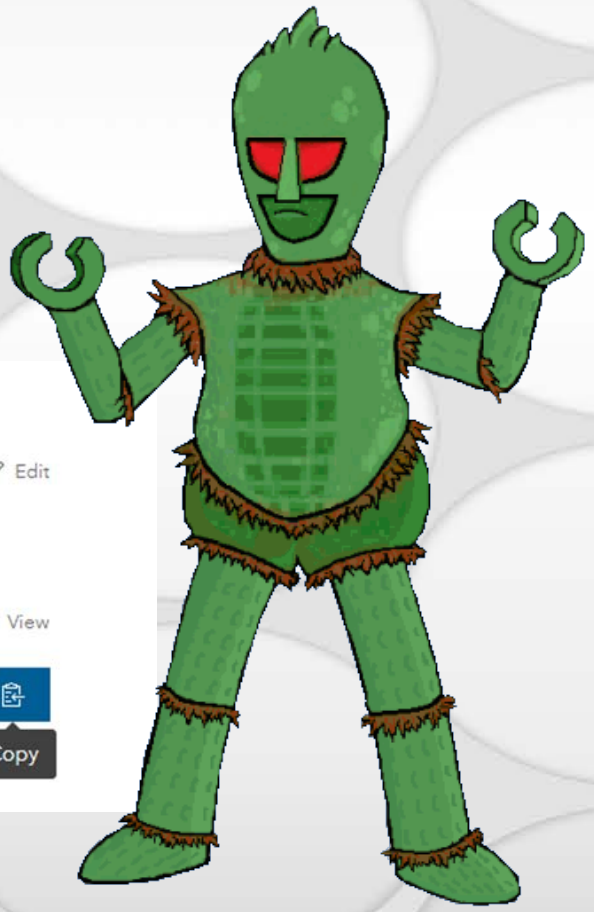
Upload images and data on ArcGIS Online

- **Click Share for Everyone (public)**



- **Copy URL CSV template**

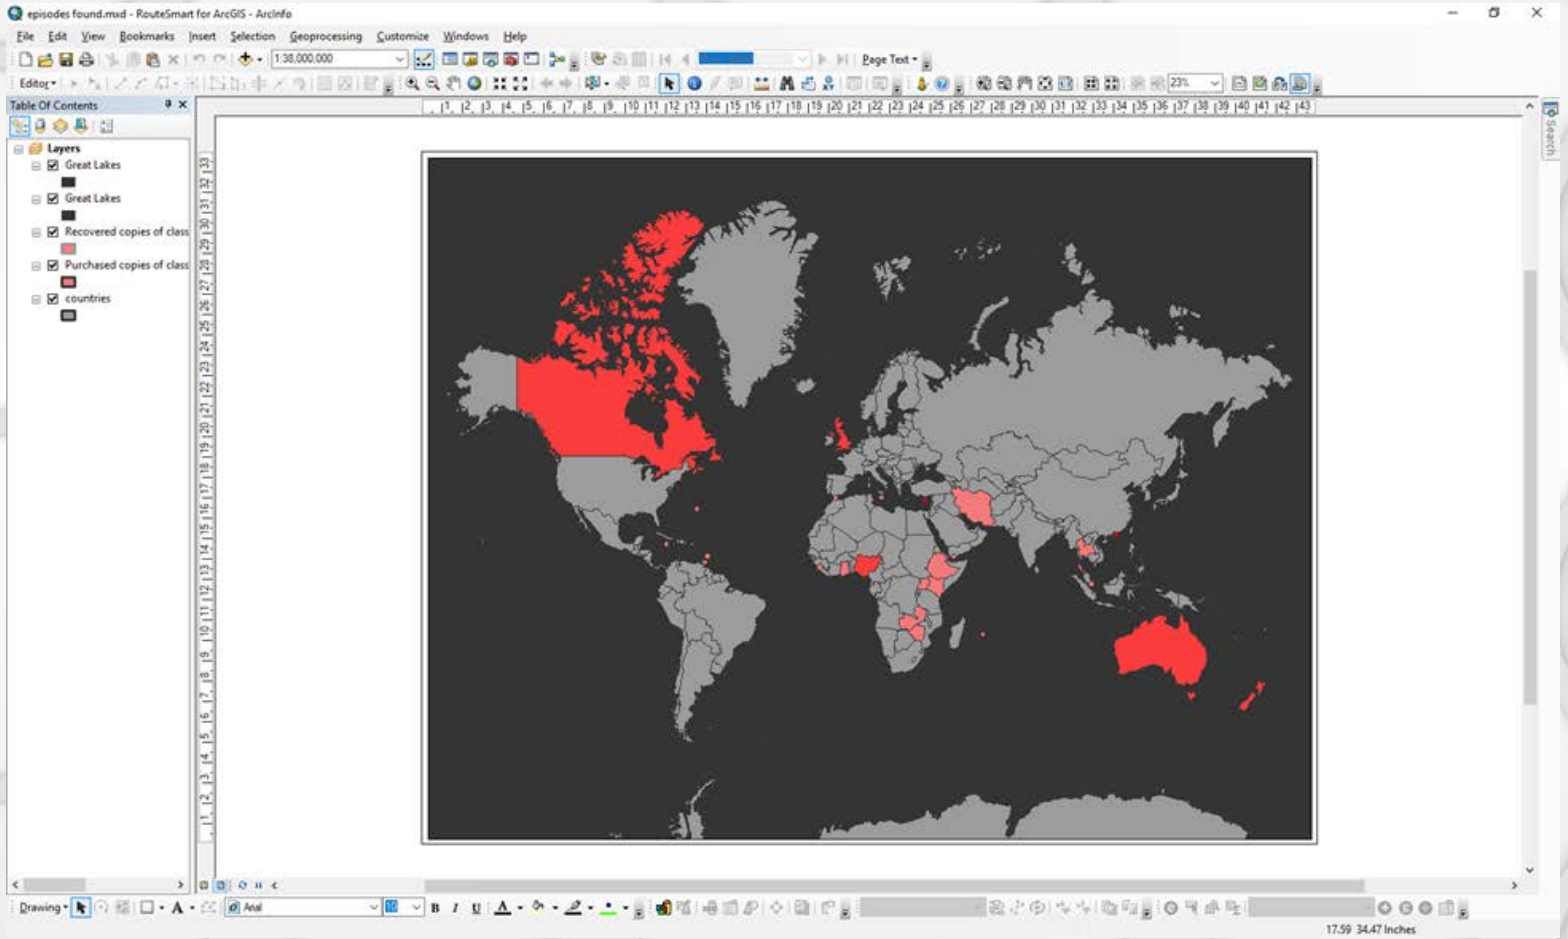


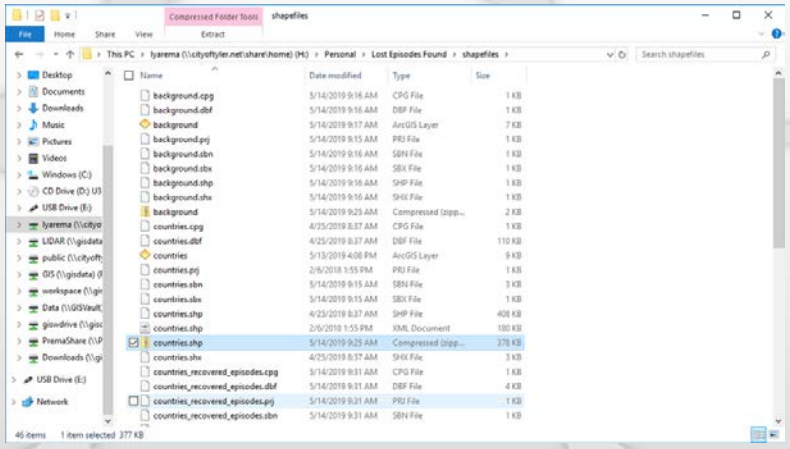


Upload images and data on ArcGIS Online

- For ArcGIS, use shapefiles

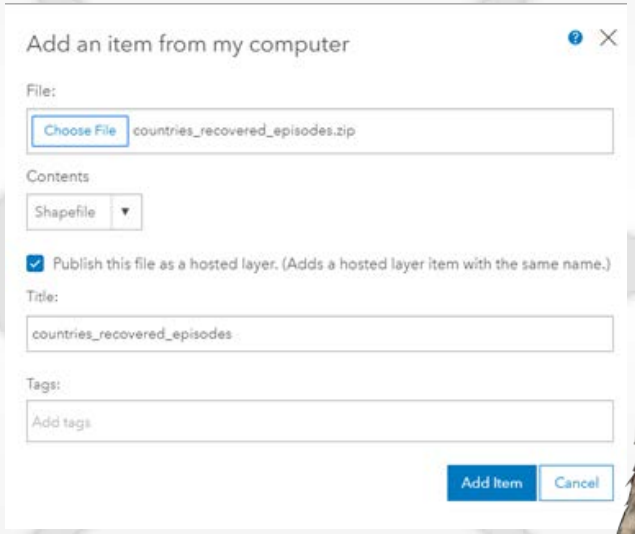
- In Windows Explorer, zip the shapefiles





Upload images and data on ArcGIS Online

- Using ArcGIS Online, import the zip shapefiles
- ArcGIS Online will recognized as a feature layer
- Share to Everyone (public)



CSV Template

- **Fields to updated**

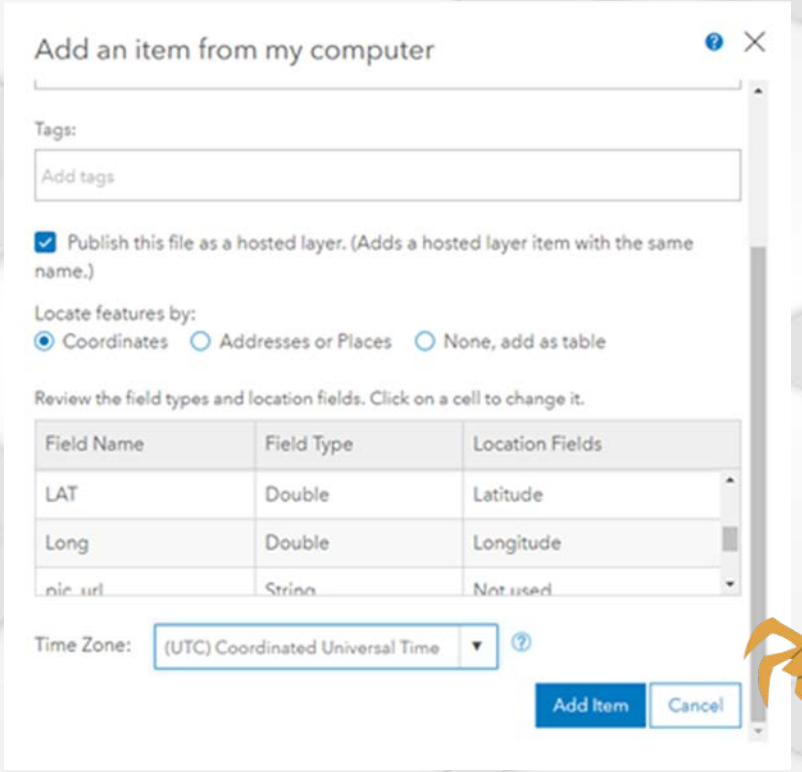
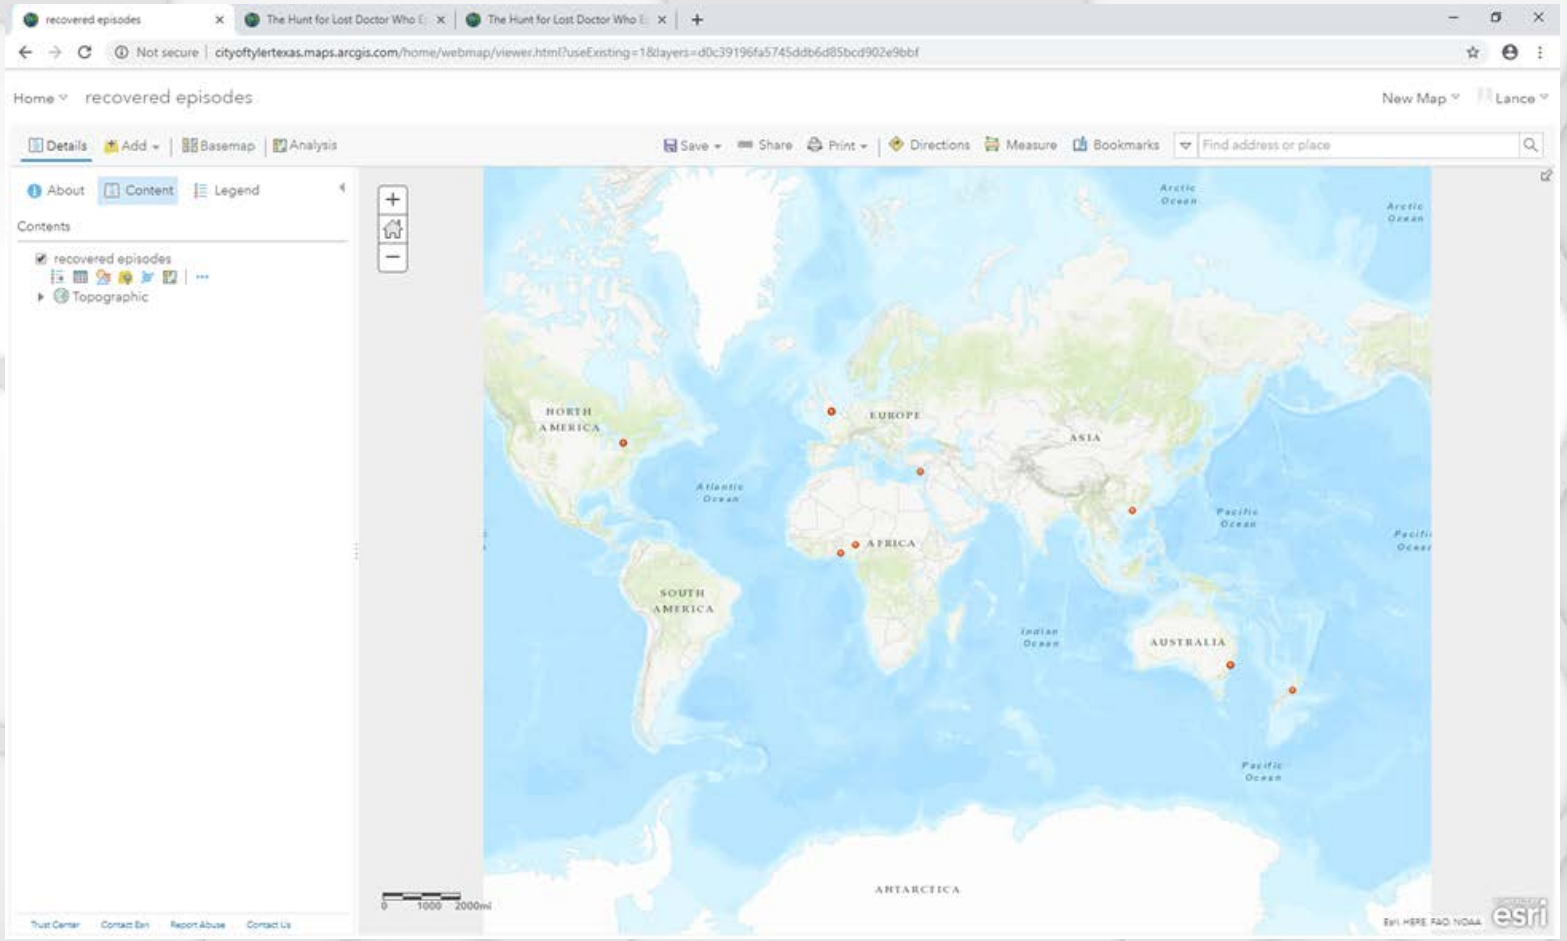
CSV Template

- Use ArcGIS Online to import the CSV template
- ArcGIS Online will recognized as a feature layer (points)
- Again to forget to Share for Everyone (public)



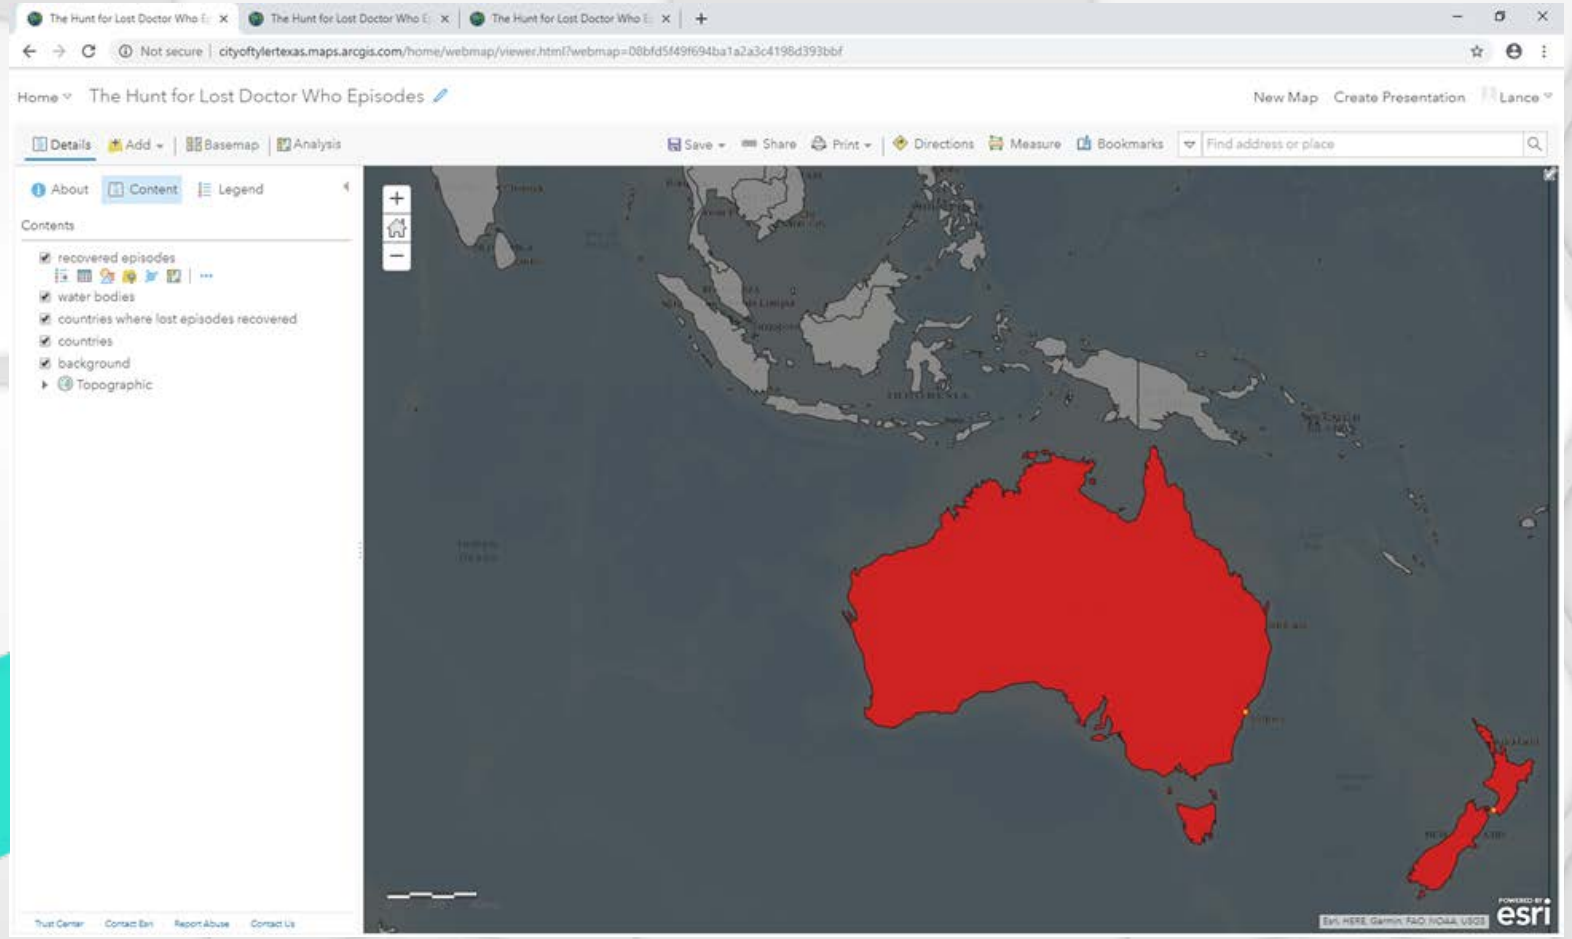
Story map set up

- After sharing feature layer for CSV template, click map viewer
- Add to Search for Layers
- Feature layers will be available if imported to ArcGIS Online



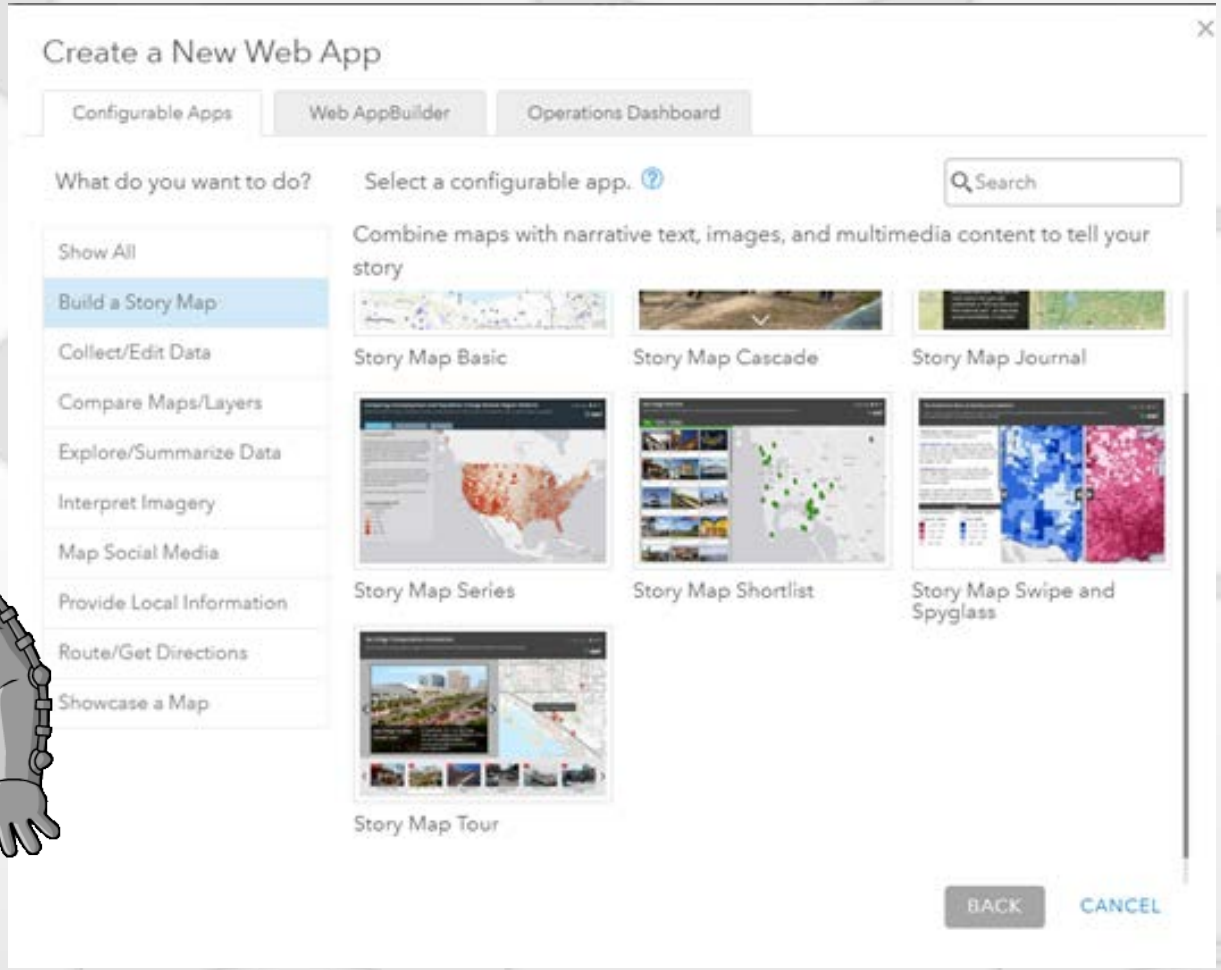
Story map set up

- **Symbolize the layers and arrange the drawing order**
- **Save the map as a Web Map**



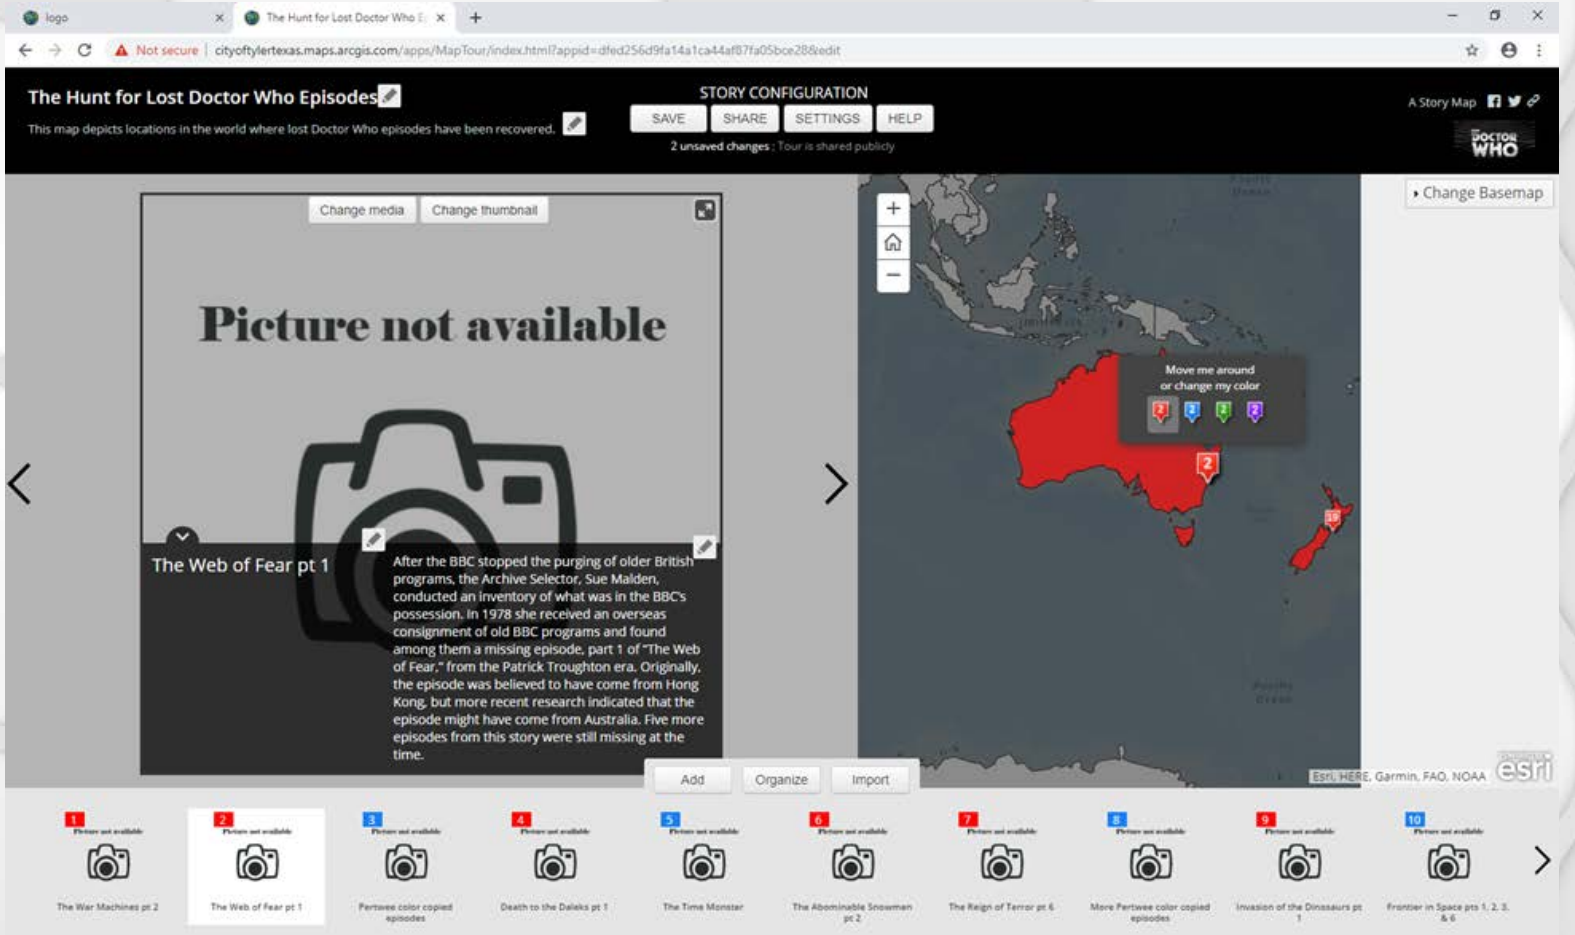
Story map set up

- **Share the map and create a Web App**
- **Choose Build a Story Map (Story Map Tour)**



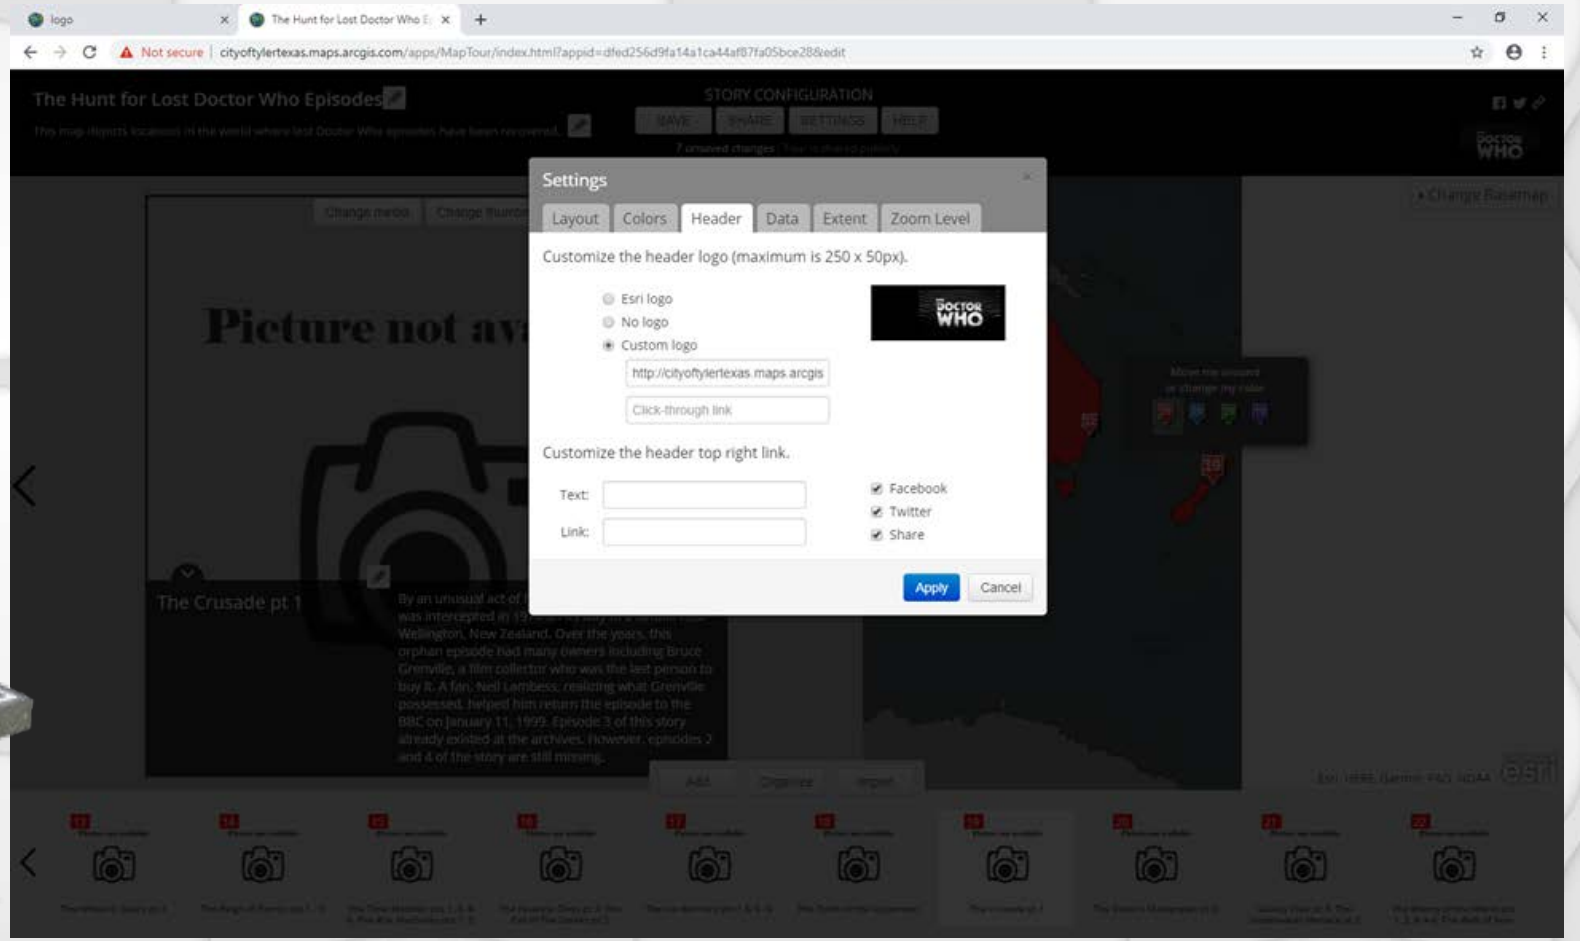
Story map set up

- **Story Map will initially display in edit mode *(no images are shown)***



Story map set up

- **Settings**
  - **Change logo**
  - **Change color**
  - **Set up Extent**
  - **Layout**
  - **Etc.**



Story map set up

- Save changes
